TAMING THE MACHINES – IT FOR A GOOD SOCIETY

ETHICS AND ARTIFICIAL INTELLIGENCE

PROF. DR. MARK COECKELBERGH
(UNIVERSITÄT WIEN)

ÖFFENTLICHE
RING-
VORLESUNG

About the lecture

The ethics of artificial intelligence is a hot topic as fears and fascination dominate the public discussion. This talk moves away from science fiction and calls attention for more urgent and detailed ethical analysis of issues such as responsibility, transparency, and bias in the AI systems we have today. It also offers some recommendations for policy in this area.

Donnerstag, 17.10.2019, 18:15–19:45 Uhr
