Language

RESEARCH ASSOCIATE FOR THE PROJECT “HUMAN-IN-THE-LOOP LEARNING FOR DISTRIBUTED INCREMENTAL ANONYMIZATION OF SENSITIVE PERSONAL DATA (HILANO) FUNDED BY BMBF”

- SALARY LEVEL 13 TV-L -

The position in accordance with Section 28 subsection 3 of the Hamburg higher education act (Hamburgisches Hochschulgesetz, HmbHG) commences on **October 1, 2019 or later**.

This is a fixed-term contract in accordance with Section 2 of the academic fixed-term labor contract act (Wissenschaftszeitvertragsgesetz, WissZeitVG). The term is fixed for a period of 33 months, commensurate with the project duration. The position calls for 100% of standard work hours per week*.

RESPONSIBILITIES:

Duties include academic services in the project named above. Research associates may also pursue independent research and further academic qualifications.

SPECIFIC DUTIES:

Research and Development of different architectures for neural learning methods for distributed incremental anonymization and the deployment of the methods within the project context; dissemination of results at academic conferences and industrial workshops.

REQUIREMENTS:

A university degree in a relevant field. A university degree in Computer Science or related with a specialization in Computational Linguistics and Natural Processing. PhD or doctorate degree a plus.

Candidates should show demonstrated experience with one or more of the following:

* Full-time positions currently comprise 39 hours per week.

- Natural Language Technology and Machine Learning frameworks, e.g. Pytorch or Tensorflow
- Programming skills: Python and one object-oriented language (e.g. Java, C++)
- Demonstrated ability to contribute to scientific publications
- Good communication skills in English or German
- A plus: Research in Lexical-Semantic Methods.

The University aims to increase the number of women in research and teaching and explicitly encourages women to apply. Equally qualified female applicants will receive preference in accordance with the Hamburg act on gender equality (Hamburgisches Gleichstellungsgesetz, HmbGleiG).

Qualified disabled candidates or applicants with equivalent status receive preference in the application process.

For further information, please contact **Prof. Chris Biemann** or consult our website at <https://www.inf.uni-hamburg.de/en/inst/ab/lt/home>.

Applications should include a cover letter, a tabular curriculum vitae, and copies of degree certificate(s). Please send applications **by September 3, 2019** in a single PDF file. Later applications are considered until the position is filled. Please send to: **biemann@informatik.uni-hamburg.de**.

Please do not submit original documents as we are **not** able to return them. Any documents submitted will be destroyed after the application process has concluded.
